

MANUAL MULTI-LIFT ITEM 14691
ELECTRIC MULTI-LIFT ITEM 10738

Save your back and be more productive with our electric or manual Handy Multi-Lift.

The 1/3 HP electric motor raises up to 37½".

The manual model has a brake winch operation that will not spin under load and raises up to 39".

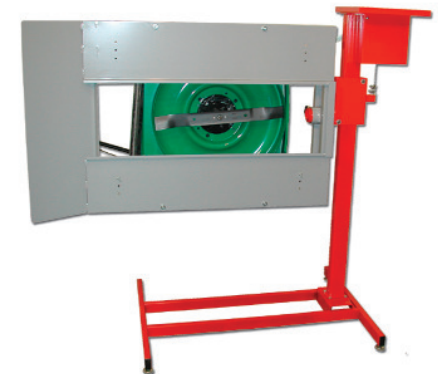

MADE IN USA

Both Multi-Lift Models can lift up to 300 lbs. and rotate 360°. You can tackle multiple repair projects on push lawnmowers, appliances, small motors, and garden equipment. An adjustable wheel channel avoids slippage.

- Five pre-set rotational locking working positions
- 30"x 36" steel table with 12" center opening
- Nylon tie-down straps
- Adjustable wheel channel
- Wt. 200 lbs.

Adjustable wheel channel

12" center opening for easy access
