 S.A.M. 1000 AIR LIFT CE ITEM 16005

For bike professionals who need a longer table top with the convenience of a drop-out panel

MADE IN USA

The S.A.M. 1000 provides additional benefits, with all of the features of the Standard Lift included. The S.A.M. 1000 is designed to lift bikes up to 1000 pounds and is 4" longer to accommodate longer wheel bases. It has a convenient drop-out panel for making tire removal easy. The lift is available in air or electric and is CE approved, if option 16355 is included.

Available in custom colors

- 16754 - Red table top/black frame
- 16584 - Orange table top/black frame
- 16006 - Black table top/black frame
