

TOOL TRAY ITEM 16010

Find the tool you want
without playing
hide-and-seek.

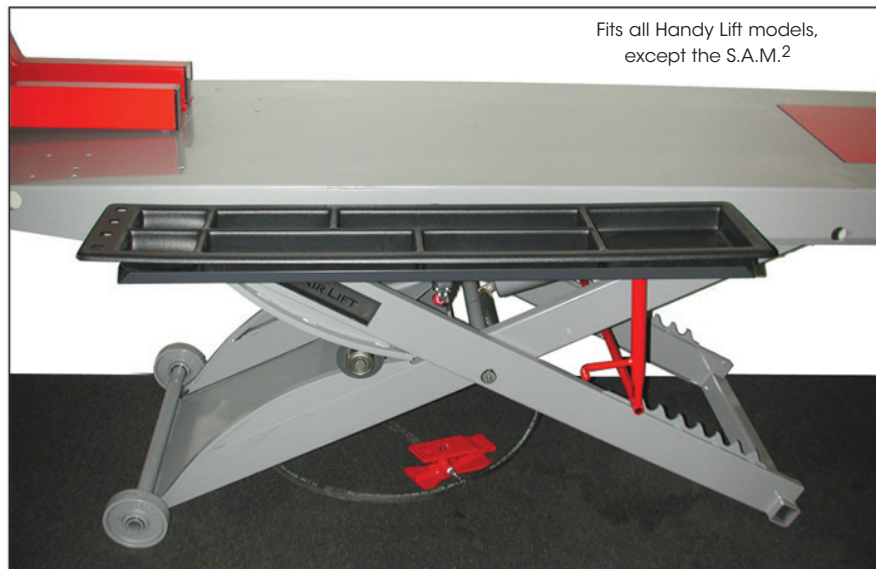

MADE IN USA

The metal tray holder with polyethylene tray can attach to the sides or ends of the lift table and to any side extensions.

- Black polyethylene compartmentalized tool tray with magnets
- 16 gauge steel tray holder
- 39 $\frac{3}{4}$ L" x 7"W x 1 $\frac{3}{4}$ "D
- Wt. 20 lbs.

The single clamp mechanism makes this tray holder easy to attach to the lift.

The underside of the metal tray holder, showing supports and clamps, is pictured at right.
